

**KIVETON PARK STEEL
LIMITED**

QUALITY POLICY STATEMENT

Kiveton Park Steel are committed at all levels to supplying products of the highest possible quality delivered on time to ensure customer satisfaction while remaining profitable. This shall be achieved through the implementation of the Kiveton Park Steel Quality Management System.

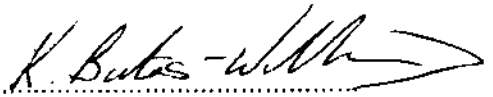

The identified objectives are supported by collection of measurable data to enable monitoring of achievement against targets and the implementation of improvement actions.

This policy shall be communicated and understood throughout the organisation and shall be subject to regular review to ensure continued applicability in the event of changed needs or expectations.
